

Vaccination & Testing Clinics Request Process for LTCFs and Congregate Settings

Updated: Date/Time: 10/6/2021 at 9:30 AM

Contact: Eric Ridings, email: ridingde@dhec.sc.gov

Instructions: Vaccination clinics can be requested by sending the information below to Eric Ridings. When emailing Eric, **please CC: Daisy Schwarz and Karen Butts.**

Facility name:

Facility address:

Contact name and title:

Contact phone:

Contact e-mail:

Which vaccine has the facility used as their primary vaccine (Pfizer/Moderna):

Available days and times:

Number of individuals interested:

Will the clinic be indoors or outdoors:

If indoors, do they have a space like a gym or large conference room:

Can they provide tables and chairs for us to use:

Will they need someone to come out to talk about the vaccine and/or answer questions prior to the clinic:

Any additional notes*:

***The additional notes section should include notable items such as the population being served (residential/transient) as it affects the decision of choosing an appropriate vaccine for the population.**
